**WE AT MUNI

responsibilities to change
the scenario.**

A man with long brown hair, shirtless, is climbing a dark, textured rock face. He is wearing a climbing harness and a backpack. He is looking up and to the right with a determined expression. The background shows a vast, hazy landscape with green hills and a blue sky with clouds. The text "WE REFUSE TO ACCEPT LIMITATION" is written in a large, orange, hand-drawn font across the top half of the image.

A close-up photograph of a hand watering a small green seedling. The hand is positioned at the top left, with water dripping from the fingers onto the plant. The seedling has three bright green leaves and is growing out of dark brown soil. The background is a soft, out-of-focus green, suggesting a natural outdoor setting.

A vibrant, hand-drawn illustration featuring a central globe. The globe is surrounded by a diverse group of children of various ethnicities and ages, some holding hands, others playing. The scene is filled with lush greenery, including large leaves, flowers (like a sunflower and a pink flower), and various insects (like a dragonfly, a ladybug, and a butterfly). The overall theme is global unity and environmental harmony.
